Class II Permissive Change application Letter

Date: February 2, 2007

RE: FCC ID: UNSH61056

- We are submitting an application for a Class II permissive change to the FRS/GMRS. (FCC ID: UNSH61056).
 - Change the power supply from 4x"AAA" battery to 3x"AAA" battery
 - Add a 3x 1/3"AAA" battery pack internally
 - Change the charging PCB outline and circuitry
 - Change the placement of Dynamo, 3x"AAA" Battery and 3x 1/3"AAA" battery pack
 - Change the charging PCB location
- . The purpose of this application is to meet the requirement of the market.

Best Regards
